ThedaCare At Home Seeks Hospice Volunteers

ThedaCare At Home is seeking hospice volunteers in Waupaca, New London and the surrounding areas to assist in caring for terminally ill patients and their families.

A black and white photograph showing two women in conversation. One woman is seated in a wheelchair, and the other is leaning in towards her, smiling. They appear to be in a home care setting.

Our Hospice volunteers visit patients in their homes, at nursing homes and at the Wisconsin Veterans Home. As vital members of the hospice patient care team, volunteers work with the Hospice staff to support the patients & families by providing companionship including visiting, listening, assisting with meal times or simply being a loving presence to a terminally ill patient.

**Our next volunteer training session will begin soon.
If you are interested or have questions, please contact Sarah Lederer at
(920) 716-2783 or sarah.lederer@thedacare.org as soon as possible.**
