See information on business loans, equipment leasing, and commercial mortgage loans at **SCORE’s** website

<https://www.score.org/financing-and-loans-resources>

Step 7 - Find a Location

Objective: Determine Spacing Needs and Find Property

Choosing a good location involves studying the demographics of the market area associated with the location, factoring in the location of competing businesses, evaluating the characteristics of the location and comparing costs.

Contact New London's **City Administrator** for information on available land and buildings

Determine if city's industrial park would be appropriate

Check with local **realtors**

Coldwell Banker – Real Estate, 1275 N. Shawano St., (920) 982-2121

Search local newspapers and magazines for properties for sale

Talk to existing business people in community to determine if they are satisfied with services provided by the community

Review strengths, weaknesses, opportunities and threats associated with the community

See Step 3 – “Choose a Business Location” to get advice on how to select a customer-friendly location and comply with zoning laws in the “Follow these Steps to Start a Business” at Small Business Administration

<http://www.sba.gov/content/follow-these-steps-starting-business>

Step 8 - Construct, Lease or Purchase a Building

Objective: Construct, lease or purchase a building

Work with realtor to view existing buildings that are for sale

Contact architects, local contractors and New London Building Inspector if considering constructing a building

Contact **CAP Services** - they may lease commercial space at below market rates

Hire local contractors to assist in constructing a building

Wunderlich Plumbing, LLC, W9879 St. Rd. 96, (920) 850-8508

Step 9 - Obtain Permits / Licenses

Objective: Determine what permits and licenses are necessary and obtain

Zoning: The City of New London has zoning for every property. Before starting a business of home occupation, you will need to contact the **New London Building Inspector** to make sure that your property allows such activity. In cases where a “Conditional Use” is required, the Building Inspector will assist you with that process

New London Zoning Codebook

http://www.newlondonwi.org/departments/Building_Inspector/zoning.php

Building Construction – Permits – the state and city closely regulate all aspects of construction. To see if you need permits, state approved plans, specially licensed contractors, etc. Call and discuss your project with the **New London Building Inspector**. Permit applications may be picked up at the New London Municipal Building

Business Licenses: Businesses selling food or alcohol require special licenses and inspections. There are also licenses required for selling pop or “near beer,” having pinball machines, pool tables and other amusement devices. Contact New London Building Inspector and New London City Clerk’s office to obtain permits and licenses, including

Beverage Operators Licenses

Building Permits

Retailers Licenses

Sellers Permits

The Small Business Administration has information on federal and state licenses and permits required to start a business. See Step 9 – “Obtain Business Licenses and Permits” to get a list of federal, state and local licenses and permits required for your business in the “Follow these Steps to Start a Business” at Small Business Administration <http://www.sba.gov/content/follow-these-steps-starting-business>

Step 10 - Recruit and Hire Employees

Objective: Find and hire qualified employees

Contact recruitment agency to assist in hiring process

IQ Resource Group, Inc. (920) 982-3660 www.iqresourcegroup.com/

New London Chamber of Commerce

www.NewLondonChamber.com/Employment-Postings.html

Nicolet Staffing (920) 982-2631 www.nicoletstaffing.com/

QPS Employment Group (920) 531-8404 www.qpsemployment.com/

Contact the **Fox Valley Workforce Development Board** for assistance in hiring employees

See Step 10 – “Understand Employer Responsibilities” to learn the legal steps you need to take to hire employees in the “Follow these Steps to Start a Business” <http://www.sba.gov/content/follow-these-steps-starting-business>

See the **Virtual Business Incubator** for more information on employment issues, such as requirements for hiring a new employee, termination of an employee, independent contractor versus employee at <http://vbi.biz/>

Labor requirements dealing with issues such as civil rights, labor standards, workers compensation, unemployment insurance, new hire reporting law and other employment issues can be found at

- **Labor Standards** https://dwd.wisconsin.gov/er/labor_standards_bureau/
- **Workers Compensation** <https://dwd.wisconsin.gov/wc/>
- **Unemployment Insurance** <https://dwd.wisconsin.gov/ui/>
- **New Hire Reporting Law** <http://www.dwd.wisconsin.gov/uinh/>

Step 11 - Train Employees

Objective: Train employees. Find a location for training and find and hire instructors

Contact **Fox Valley Workforce Development Board** for assistance in training employees

Contact **Fox Valley Technical College** to discuss courses that would be beneficial to employees

Contact the **Northeast Wisconsin Educational Resource Alliance** to learn more about educational resources. www.neweraonline.org/

Contact the **New London Area Chamber of Commerce** at (920) 982-5822 to discuss quarterly educational opportunities they provide to local businesses or go to www.newlondonchamber.com for a listing of all classes

Step 12 - Pay Employees

Objective: Set up a system for paying employees

Alternatives for payroll system

- Hire accounting firm to do payroll
- Create manual payroll system and procedures
- Use computer program for payroll

Research payroll / personnel rules

-To obtain more information about **Wisconsin's Labor Law** provisions, contact the department's Equal Rights Division at either of these locations

<http://www.dwd.wisconsin.gov/er>

http://dwd.wisconsin.gov/dwd/publications/erd/pdf/erd_4906_p.pdf

Any business having employees **MUST** have both a Federal Employer Identification Number (FEIN) and a Wisconsin Employer Identification Number (WEIN) to collect federal and state withholding taxes. Information on how to obtain these numbers can be found at <https://www.irs.gov/businesses/small-businesses-self-employed/employer-id-numbers-eins>

Step 13 – Obtain Equipment

Objective: Identify equipment needs and obtain equipment needed by business

Consider leasing versus buying equipment

If financial assistance is needed, see step 6, obtain financing

Step 14 - Buy Raw Material

Objective: Find source of materials and arrange for purchase

Determine if there are opportunities to purchase materials in bulk. Partner with other businesses on sharing costs (accounting / payroll, snow plowing or buying supplies in bulk)

Step 15 - Safeguard Assets

Objective: Consider protection for assets including security and insurance

Determine how much insurance is needed or can be afforded. Consider risks associated with assets, determine how much security is needed to protect assets and put in place a security system for assets. See the **Virtual Business Incubator** for more information on factors to consider when purchasing insurance at <http://vbi.biz/>

Discuss insurance needs with local insurance agencies, including:

Demming-Noel Agency Inc. - 228 W. North Water St. (920) 982-2881

Larson Insurance Agency, N3672 County Rd. T, (920) 472-4308

State Farm Insurance, Karen Gething, Agent, 101 S. Pearl St., (920) 982-3231

Thrivent Financial - 101 W. Waupaca St. (920) 982-3367

Contact New London Police and Fire Departments for advice on security matters

Intellectual property needs to be protected from unauthorized use. There are four ways to protect different types of intellectual property: (1) Patents (2) Trademarks (3) Copyrights (4) Trade Secrets. Resources that can assist you in selecting the intellectual property protection that is right for you can be found at http://commerce.wi.gov/BD/docs/BD-Starting_a_Business.pdf

For further assistance contact New London local **Ellen Krabbe, Intellectual Property Expert** at Fresco Services - (920) 460-5705 or emkrabbe@fresco-services.com

Step 16 - Manufacture Product or Provide Service

Objective: Manufacture product or provide service

The **Wisconsin Manufacturing Extension Partnership** provides a variety of resources for manufacturers to help improve quality and overall operations www.wmep.org

Contact the **Northeast Wisconsin Manufacturing Alliance** to learn more about membership and the many resources they have to offer. <http://newmfgalliance.org/>

Step 17 – Advertise / Market Product

Objective: Advertise your product

Discuss marketing strategy with consultant

See the **Virtual Business Incubator** for more information on creating a marketing plan at <http://vbi.biz/>

See marketing and sales ideas from **SCORE** at <https://core.score.org/marketing>

Consider **Internet advertising**
