

# Resident Assistant / Caregiver

## Job Description

St. Joseph Residence is seeking caring, responsible, and qualified caregivers to join our assisted living teams at Trinity Terrace, our 28 bed CBRF and The Washington Center, our 31 tenant RCAC apartment complex.

St. Joseph Residence is a not-for-profit corporation founded by the Religious Hospitallers of Saint Joseph, owned and operated by Catholic Health International. We are a continuing care campus offering an array of services and settings including independent apartments, CBRF, RCAC, and a skilled nursing facility. Compassionate care is delivered in a faith-based environment, emphasizing independence, respect, and dignity.

As a Resident Assistant you will be responsible for providing direct care services such as passing medication, bathing, dressing, grooming, housekeeping and laundry, and activities. It is essential to have time management skills, a positive attitude, to be flexible, and too want to work as part of a team.

Certified Nursing Assistant certification is helpful, however, we will provide training and obtain the necessary assisted living certification to applicants who possess the skills and necessary attributes we are looking for to join our team.

This is a great opportunity for compassionate people who enjoy seniors that are either looking at changing careers or reentering the workforce.

## Responsibilities Include

Provide direct cares for residents personal and medical needs.

- Participate in customizing resident service plans.
- Monitoring residents for change of condition.
