

**Deliver a Smile! ☺**

**Can you offer one hour a week? A month? The New London Senior Center at 600 W. Washington St. is seeking friendly volunteers who can deliver meals to homebound seniors. We deliver & serve meals Monday – Friday, no holidays. You choose the days to volunteer!**

**Meals are picked up at 10:30 a.m. The route is approx. 1 hour. Great opportunity for local businesses to be involved in the community, retired folks & those that prefer to volunteer with a friend. Besides bringing a much needed meal, you're ensuring the safety & well-being of our neighbors. The recipients are so grateful!**

**Or, maybe you would rather stay indoors. In order to send out meals for delivery, we need servers to assist at the site to pack meals, set tables & perform light kitchen duties. Site Servers are needed between 9:00 am – 12:30 p.m.**
