

Project Backpack – New London Needs YOU!

Project Backpack-N/L was awarded the 2015 Community Service Award through the New London Chamber of Commerce.

What is Project Backpack-N/L?

Each Friday afternoon, or the last day of the school week, participating school children receive a backpack filled with healthy food and snacks. On Monday, or the first day of the school week, the child returns the empty backpack to their school. **Project Backpack N/L** volunteers then pick up the backpacks to be restocked with food for the following Friday. Backpacks may include the following items: cereal, breakfast bars, oatmeal, juice, tuna, macaroni and cheese, peanut butter, jelly, crackers, soup, applesauce, fruit cups, ravioli, fruit, vegetables, and other nutritious food. For longer weekends due to school vacations, additional items are added to the backpacks. It is operated only during the months school is in session.

Project Backpack-N/L needs you!

Considering the above explanation, you can see that it takes many hands to accomplish our mission.

“To eliminate hunger in area schools, one student at a time.” **Project Backpack-N/L** is in constant need of volunteers to:

- Pack backpacks
- Deliver backpacks to schools
- Purchase groceries and supplies
- Stock shelves at the Project Backpack office – Washington Center
- Package bulk food items to individual baggies
- Provide needed funds: purchase a backpack (\$10.00); monthly sponsorship to fill a backpack (\$36.00); general funds to purchase food for backpacks or to pay for Kwik Trip food vouchers for milk and bread.
