- Complete the application at this link:
 - <https://bit.ly/WaupacaVET-GP>

THE PROGRAM

The VET-GP program increases opportunities for Veteran entrepreneurs across Waupaca County utilizing business training and technical assistance provided by the University of Wisconsin Stevens Point's Entrepreneurial Training Program (ETP). With the added benefit of offering, but not requiring support services through the Wisconsin Small Business Development Center (SBDC), U.S. Small Business Administration (SBA), the University of Wisconsin System, and UW System's Institute of Business and Entrepreneurship.

WHAT TO EXPECT

The ETP is offered twice per year, once in the spring and once in the fall. The spring cohort begins in February and the fall cohort begins in September. To be considered for the spring cohort you must complete application by December 31, annually. Applicants for the spring cohort will be notified of acceptance by January 15, annually. To be considered for the fall cohort you must complete application by July 31, annually. Applicants for the fall cohort will be notified of acceptance by August 15, annually.
